

I realize the Fairness Doctrine is extinct, but I would urge you to please take action against Sinclair Broadcasting for their forcing their stations to air the anti-Kerry campaign film.

If "Stolen Honor" is aired, at the very least, Sinclair stations should be required to air a show that presents an opposing view of the candidate. I'm sure you've seen Sinclair's spokesperson defending its position. His remarks do not even focus on issues of equal time and FCC doctrine. They are aimed at attacking the Kerry campaign and defending the Bush platform. It is truly amazing.

Sinclair's planned actions are corrupt: They are commandeering publicly owned airwaves to blatantly support a candidate. This is a violation of their core FCC obligation to manage their assigned frequency in the public interest. I urge you to revoke Sinclair's station licenses if this is allowed to take place.

Thank you.
